

Understanding your Local federation

Serving co-ops in Durham, Toronto and York Region.

Who we are and what we do

Your co-op is a community with a board of directors elected by the members. The board members follow the seven international co-operative principles, including Principle 6, *co-operation among co-operatives*.

There are over 180 member co-ops in Durham, Toronto, and York Regions. Those co-ops elect a board of directors to oversee the Co-operative Housing Federation of Toronto.

Belonging to your local federation supports the success of your Co-op.
