We offer workshops on a variety of topics related to co-op housing. We also hold portable workshops at individual co-ops. A full schedule of virtual workshops will be offered during the COVID-19 pandemic.

Co-op Cost Cutters

Our bulk purchasing program provides huge savings for member co-ops. In recent years, co-ops have saved over \$550,000 a year on everything from appliances to energy saving products to banking services. The banking service gives Federation members bonus interest on their chequing accounts and term deposits, free courier deposits and no charge for NSF cheques.

Government Negotiations

CHFT represents co-op interests to federal, provincial, and municipal politicians. We also assist Federation members in dealing with Canada Mortgage and Housing Corporation (CMHC), The Agency for Co-operative Housing, Durham Region, the City of Toronto and York Region.

Legal Services

Over the years, CHFT has worked closely with co-op housing lawyers to develop model by-laws, policies and procedures for co-ops.

Web Site: www.chft.coop

Our web site includes current information about what's going on at CHFT, local sector events and resources for co-ops.

Members' Meetings

We hold regular meetings for CHFT delegates. Our Annual General Meeting is normally held in May and our General Members Meeting in November.

Up to Date Information

CHFT sends an e-bulletin out to all member co-ops with information about events, job postings and other information. Co-op Cost Cutters updates are sent out to announce specials and updated information. We also publish Co-op Focus, a report on Federation activities.

Development

Over the years, CHFT has helped develop 60 housing co-operatives. Despite government cutbacks, CHFT continues to work with member co-ops to expand the co-op movement. In 2023, a co-op in the east end of Toronto will complete construction of additional co-op units.

Co-op Housing Awards

Every year, CHFT gives out a variety of Co-op Housing Awards. Awards are given to co-ops and co-op members in recognition of outstanding contributions to the co-op housing community.

CHFT Diversity Scholarship Program

Since 2004, CHFT has awarded scholarships to people living in member co-ops. Applicants be enrolled in a full-time program at a publicly funded college or university, and show a strong commitment to promoting diversity in their communities.

Many accredited colleges and universities have partnered with CHFT to match our scholarship dollars
