

SPECIAL ANNOUNCEMENT

Welcome to the CHFT Team!

CHFT is pleased to announce Mary Grace Galvez has accepted a position starting August 1 as the Land Trusts Co-ordinator.

Mary Grace brings with her the right combination of education and work experience for the position. Her Bachelor of Science in Civil Engineering from the University of Manila gives her the right technical skills to help the 32 co-ops on land trust properties prepare for the end of their mortgages. She worked for seven years in project and operations management in the construction industry in the Philippines and then six years in property management in the Philippines and in Canada. This experience has provided Mary Grace with the hands-on understanding of the challenges land trust co-ops will face as their building infrastructure ages. Two of those years in property management were spent working in housing co-ops from which Mary Grace gained an appreciation of the way co-ops make decisions, which will surely help in her new position.

Mary Grace Galvez,
Land Trusts Coordinator

Mary Grace tells us she enjoys playing tennis, although her true passion lies in watching sports, particularly tennis, baseball, and basketball. She also claims a green thumb and an adventurous palate – we look forward to seeing these in action. Finally, Mary Grace contributes to her community as a math tutor.

We're confident you will enjoy Mary Grace's infectious enthusiasm and her can-do approach as much as we do. Please help us welcome her!
