

Proposed Kennedy Co-ops
at 2444 Eglinton Ave East

Thursday, May 16, 2024

Dear Councillor Thompson and City Planning Staff,

RE: 2444 Eglinton Avenue East, Community Planning Meeting, May 16, 2024

I'm a proud supporter of housing co-ops.

I am excited that the Co-operative Housing Federation of Toronto, along with developers Windmill and Civic, is working in partnership with the City of Toronto and CreateTO to develop a new 600+ unit co-op at 2444 Eglinton in Ward 21.

Because the community consultation meeting is being held virtually, I am signing this letter to make sure my voice is heard.

In its 50-year history, CHFT has been instrumental in developing 6,300 units in 60 housing co-ops in the GTA, some new construction, and some rehabilitation of existing buildings.

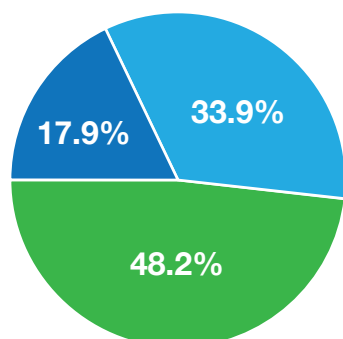

Co-ops provide affordable, safe, secure, and stable housing. I urge the City to push forward with the buildings at 2444 Eglinton and to find other sites for new co-op housing units in Toronto.

Co-ops are an important part of the solution to the housing crisis.

Co-operatively yours,
